Please complete the above transactions on my behalf. If the transaction above is a new investment, I have received and reviewed the most current Prospectus/Fund Facts. The costs, fees, and tax consequences of this transaction have been explained to me by my advisor. Furthermore, the compensation that will be received by the Dealer for placing this/these investment(s) on my behalf has been explained.

I understand that the Fund Facts for the securities I have purchased may be sent or delivered to me instead of the simplified prospectus. I will continue to have the equivalent rights and protections otherwise applicable under securities law as if I were sent or delivered the simplified prospectus. Depending on my province or territory, I may have the right to:

- withdraw from an agreement to buy securities of mutual funds within two business days after I receive a fund facts document, or
- cancel my purchase within 48 hours after I receive confirmation of the purchase.

Should I require more information, I may ask my advisor and/or see the securities law of my province/ territory or ask a lawyer.
