## Instructions

### When to use this form

If you are the holder of an FHSA **and** the annuitant of an RRSP, use this form to directly transfer property from your RRSP to your FHSA.

If you are making more than one transfer, fill out a separate form for each transfer.

### Who fills out this form

**The FHSA holder (who is also the RRSP annuitant)** will fill out and sign Part 1, Part 2, Part 3 (if necessary), and Part 4, and then give the form to the FHSA issuer.

**The FHSA issuer** receiving the property from the RRSP will fill out and sign Part 5, and send the form to the transferor. Once the FHSA issuer receives the property from the RRSP and the form from the transferor, they will fill out and sign Part 7.

**The transferor** sending the property from the RRSP will fill out and sign Part 6. Once completed, the transferor will send the property from the RRSP and the form to the FHSA issuer.

The FHSA holder, FHSA issuer and transferor should keep a copy of the form for their records at each step outlined above.

**Do not** send a copy of this form to the Canada Revenue Agency (CRA) unless the CRA asks to see it.

### Reporting requirements

The RRSP issuer should not issue a T4RSP slip to record the amount transferred. The transfer amount is not required to be included in the RRSP annuitant's income.

The FHSA issuer must issue an FHSA slip for the amount transferred from the RRSP to the FHSA.

The FHSA holder cannot deduct the amount transferred.

The amount transferred will reduce the holder's unused FHSA participation room. The FHSA participation room for the year can be found on the holder's latest notice of assessment or reassessment.
