

## What Does The Pool Invest In?

- S&P 500 companies that are expected to pay a growing dividend

## How Do We Invest?

- We believe that by predicting the best dividend growers for the coming 12 months we may outperform the market with less downside risk
- We use proprietary data science combined with fundamental analysis to predict dividend growth
- We focus on companies with strong balance sheets, growing cash flows, value-creating reinvestments, effective management teams and low payout ratios, all indicating an ability to continue growing dividends

Disclaimer: This document has been provided by Value Partners Investments Inc. (Value Partners) for information purposes only. It is not an offer or solicitation with respect to the purchase or sale of any security or investment product. This document does not provide individual, legal, investment or tax advice. Information about specific issuers of securities has been made available by Value Partners for the sole purpose of providing additional background information on the holdings in the VPI Dividend Growth Pool (the Pool), and is not intended to be investment advice about the merits of investing directly in these issuers. Please consult your own legal, investment and/or tax advisor prior to making an investment decision. The complete holdings of the Pool are disclosed in its Statement of Investment Portfolio semi-annually. On a quarterly basis, the Pool discloses its top 25 holdings in its Summary of Investment Portfolio. Both these documents are available on our website at [www.valuepartnersinvestments.ca](http://www.valuepartnersinvestments.ca). Value Partners is a registered investment fund manager, portfolio manager, and exempt market dealer and has engaged Bristol Gate Capital Partners Inc., a registered portfolio manager, to make decisions about the investments made by the Pool – these investment decisions are not made by Value Partners. Commissions, trailing commissions, management fees, and expenses all may be associated with mutual fund investments. Please read the fund facts document and the prospectus before investing. The indicated returns represent historical annual compounded total returns, including changes in share or unit value and reinvestment of all dividends, and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any security holder that would have reduced returns. Mutual funds are not guaranteed, their values change frequently and past performance will not tell you how the Pool will perform in the future. MER as of December 31, 2021.
