

## What Does The Pool Invest In?

- Large, medium and small companies that generate sustainable cash flow, operated by competent management teams with track records of wealth creation

## How Do We Invest?

- We believe the best businesses have strong competitive positions with barriers to competition, solid business models that drive value creation and produce recurring revenues, management teams with great track records, and a focus on ESG

Disclaimer: This material has been prepared based on information that is publicly available or that has been provided by Value Partners Investments Inc. (Value Partners). The information provided includes views or opinions of Value Partners, in its capacity as the fund manager of VPI Total Equity Pool (the Pool), and does not constitute individual, legal, investment, or tax advice about the Pool or the issuers discussed therein. Information about specific issuers of securities has been made available by Value Partners for the sole purpose of providing additional background information on the holdings in the Pool and is not intended to be investment advice about the merits of investing directly in these issuers. If included the comparison of specific stocks as "What You Own" and "What You Don't Own" is provided to illustrate the key characteristics that Value Partners uses in its investment process to identify great businesses at reasonable prices. Please consult your own legal, investment, and/or tax advisor prior to making a decision to invest in the Pool.

The complete holdings of the Pool are disclosed in its Financial Statements semi-annually. On a quarterly basis, the Pool discloses its top 25 holdings in its Top 25 Holdings report. Both these documents are available on our website at [www.valuepartnersinvestments.ca](http://www.valuepartnersinvestments.ca). Value Partners is a registered investment fund manager, portfolio manager, and exempt market dealer and has engaged Dixon Mitchell Investment Counsel Inc., a registered portfolio manager, to make decisions about the investments made by the Pool – these investment decisions are not made by Value Partners.

Commissions, trailing commissions, management fees, and expenses all may be associated with mutual fund investments. Please read the fund facts document and the prospectus before investing. If included, the indicated returns represent historical annual compounded total returns, including changes in share or unit value and reinvestment of all dividends, and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any security holder that would have reduced returns. Mutual funds are not guaranteed, their values change frequently, and past performance will not tell you how the Pool will perform in the future. MER as of June 30, 2022. Date of Publication: January 2023.
